

Graduate Institute for Advanced Studies, SOKENDAI
[Genetics Program]
Application Guidelines October 2025 (SOKENDAI Recommendation)
(Monbukagakusho: MEXT Scholarship Student)

1. General Prospectus

The Graduate University for Advanced Studies, SOKENDAI was founded as a national university in Japan on October 1, 1988. The basic concept of SOKENDAI is to develop a new postgraduate education system in Japan. Its key features are as follows:

- 1) SOKENDAI offers both three-year and five-year doctoral programs.
- 2) SOKENDAI consists of 20 programs under one institute operated by 20 Inter-University Research Institutes and Independent Administrative Institutions (“parent institutions”).
- 3) Research and education are carried out in close cooperation with the parent institutions.
- 4) Broad and international visions are fostered by enhanced interchange between various institutions and universities in Japan and abroad.

The parent institutions provide Japanese and foreign scientists with opportunities to conduct advanced joint research in various scientific branches. They are equipped with extensive research facilities and function as centers for advanced studies. Presently, they are cooperating to establish a world-class program for postgraduate education at SOKENDAI.

[Admission Policy]

<What SOKENDAI expects of our grad students>

The Graduate University for Advanced Studies, SOKENDAI, seeks students who have a strong interest in research, who constantly hone their abundant intellect and sensitivity with the aim of conducting research that will open up a new era, while taking a “bird's-eye view” of the entire field of study, and who have the will and enthusiasm to be active on the international stage.

<Basic policy for the selection of our grad students>

In selecting students for admission, SOKENDAI places importance on basic academic ability and logical thinking ability to actively promote research in the cutting-edge 20 research institutes affiliated to SOKENDAI. In order to properly judge such abilities, various selections will be made according to the respective fields of specialization.

2. Genetics Program Outline

The Genetics Program offers education and research opportunities in a variety of cutting-edge disciplines with the goal of investigating biological phenomena based on genetic information. Study and research fields include molecular, cellular, developmental, behavioral, population, and evolutionary genetics, as well as genome biology and bioinformatics. Students can take advantage of a wide range of databases and genetic resources hosted by the National Institute of Genetics (NIG). To nurture independent researchers, the Genetics Program adopts an educational philosophy by which the academic guidance of each individual student is carried out by the entire faculty. For example, graduate students meet with their thesis committee twice a year to receive advice from faculty members outside their host labs. Other features of the Program include the Scientific Presentation/Writing Program and ample financial assistance opportunities.

3. Doctoral Degree Requirements

A Doctor of Philosophy degree shall be conferred on students who have satisfied the requirements of their respective doctoral programs as prescribed below.

Students must be enrolled in SOKENDAI for at least five years, earn the necessary credits, receive the necessary research guidance, and pass the examination for a doctoral thesis. Students who are recognized as having achieved significant progress may be able to graduate in a shorter time frame.

4. Qualifications for Application

Applicants must fulfill one of the following conditions:

- 1) Have completed or are expected to complete a 16-year course of school education in a foreign country by the month preceding enrollment;

Application Guidelines for Japanese Government (Monbukagakusho: MEXT) Foreign Research Student Scholarship 2025 (SOKENDAI Recommendation)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers the following Japanese government scholarship to foreign students who wish to study at SOKENDAI:

1. Qualifications and Conditions

1) Applicants:

The scholarship is offered to new foreign students who have earned the equivalent level of a graduate degree with outstanding academic performance. The applicant must have a minimum GPA 2.3 or higher and is expected to maintain the equivalent level during the scholarship period. In case the applicant's GPA cannot be calculated by the Japanese government formula, it is necessary to submit a letter of recommendation from the Dean or higher of the attended school, which includes a statement that the applicant is ranked within the top 30% in the school, or university.

2) Nationality:

The applicant must hold the nationality of a country that is specified by MEXT. The applicant who holds Japanese citizenship or a nationality of a country that is not specified by MEXT at the time of application is not eligible.

To see the list of specified nationalities, please confirm the following webpage.

https://www.soken.ac.jp/en/admission/mextscholarship/university_recommendation/file/List_of_Specified_Nationalities.pdf

3) Age:

The applicant must have been born on or after April 2, 1990.

4) Academic Background:

The applicant must have completed a 16-year course of study in the educational institution of a foreign country or is expected to complete such a course by September 30, 2025.

For the details, please see "4. Qualifications for Application" in the application guidelines.

5) Study Area:

The study area must be in the same field as the applicant has studied or in a related one. This field of study must be available at SOKENDAI.

6) Language Ability:

The applicant must fulfill at least one of the requirements listed below:

- a) Holds an English proficiency test score equivalent to B2 or above on the CEFR (Common European Framework of Reference for Languages).

To see the CEFR Equivalency Chart, please confirm the following webpage.

https://www.soken.ac.jp/en/admission/application_info/genetics/file/CEFR_1.pdf

- b) Has completed an educational program whose primary language of instruction is English that satisfies the entrance requirements for the Five-year doctoral program at SOKENDAI.

7) Health:

The applicant has no physical or mental conditions hindering the applicant's study in Japan

8) Arrival in Japan:

The applicant must be able to arrive in Japan on the dates designated by SOKENDAI between the middle of September and the beginning of October, 2025 (Applicants who cannot arrive in Japan within the designated period should decline acceptance. Those who arrive in Japan before the designated date for personal reasons will NOT be provided traveling expenses to Japan).

9) Visa Requirement:

If selected, the applicant will be required to acquire a "Student (ryugaku)" visa in the home country prior to coming to Japan and enter Japan with "Student" status. Therefore, the successful applicant who is already in Japan under a different residence status must change his/her residence status to "Student" by the end of September, 2025 and re-enter Japan with "Student" status. (The applicant who comes to Japan with a visa or residence status other than "Student" will NOT qualify for the Japanese government scholarship. Additionally, please note that the applicant who changes his/her residence status to any status other than "Student" after entry into Japan will lose his/her status as a Japanese government scholarship student.) Please be informed that there is a possibility that your application for the original residence status may not be approved after the period of MEXT scholarship student.

10) Others:

The applicant under the conditions stated below will NOT be considered a candidate.

- a) Military personnel and military civilian employees registered on the active list;
- b) Is not able to arrive in Japan on the appointed dates;
- c) Has received the MEXT scholarship within the past three years (However, this restriction does not apply to those who have been enrolled as scholarship students in a Japanese language and culture program or as a scholarship student in the Japan-Korea Joint Undergraduate Course for Science and Engineering);
- d) Has applied for another MEXT scholarship;
- e) Has enrolled in a Japanese university with "Student (ryugaku)" status at the time of the application and has enrolled/will be enrolled in a Japanese university as a

privately-financed foreign student between the time of application and the beginning of the scholarship payment;

- f) Has already won a scholarship from another institution (including the government of their home country) other than MEXT.

2. Terms of Scholarship

If the grantee directly enrolls in the five-year doctoral program after coming to Japan, the scholarship will be payable for two years (the first two years of the standard program term) (starting in October 2025 and finishing in September 2027). For the grantee to extend his/her scholarship until the end of the standard program term (until September 2030), he/she should apply for an extension of the scholarship that must be approved by MEXT. Please note that depending on his/her academic achievement and the budget condition of MEXT, his/her application will not necessarily be approved.

3. Scholarship Benefits

1) Scholarship amount:

The scholarship amount for 2025 has not been fixed yet.

For reference, the scholarship amount for 2024 is as follows.

Enrolled Doctoral Program	Amount of Stipend per Month
1 and 2-year student of 5-year doctoral program	144,000 yen
3 to 5-year student of 5-year doctoral program	145,000 yen

The amount for 2025 may change depending on the budget conditions.

The scholarship will NOT be paid to the grantee who takes a leave of absence from the university or does not attend classes for an extended period of time.

2) Transportation to Japan:

According to his/her itinerary and route as designated by MEXT, the grantee will be provided with an economy-class air ticket from the international airport nearest to his/her home address to Narita/Haneda airport or the international airport in Japan nearest to the campus of SOKENDAI where the grantee is placed. Other expenses, such as inland transportation from his/her place of residence to the international airport, airport tax, and any special taxes on overseas travel, will NOT be provided. (The address stated in the application is considered as "home address of the grantee".)

*No air tickets will be issued to a grantee for a route from any country other than the country of his/her nationality.

3) Transportation from Japan:

For a grantee who returns to his/her home country by a specified date after the scholarship has ended, MEXT will pay for an economy class air ticket from Narita/Haneda airport or the international airport in Japan nearest to the campus of SOKENDAI where the grantee is placed to the international airport nearest to his/her home address.

*The grantee should purchase air travel insurance at his/her own expense.

*The airports for departure and return should be in the country of the grantee's nationality.

4) Education fee:

The fees for the admission and tuition at SOKENDAI will be paid by MEXT.

4. Recommendation and Selection

1) Scholarship Recommendation:

After screening at SOKENDAI, the President of SOKENDAI recommends applicants who have shown academic excellence to MEXT.

2) Scholarship Selection:

Candidates are screened and selected by a selection committee from a pool of applicants recommended by the presidents of all universities in Japan. Based on the results of the screening and selection by the committee, MEXT selects grantees and their scholarship terms.

3) Documents to be submitted:

- a) Application Form
- b) Field of study and Research Plan
- c) Photograph or digital image sized 4.5 cm x 3.5 cm taken within the past six months (Full-faced photograph. When photographed, the applicant must not wear a hat or cap hiding a part of his/her face or head. The applicant must write his/her name and nationality on the back of the photograph.)
